

The website will be structured as a **single-page site** with smooth scrolling and a persistent top navigation bar. The main sections include:

1. Navigation Bar (Sticky Header)

- Logo/LinkedIn Icon (Left)
- Menu Items (Right): About | Interests | Contact

2. Masthead (Hero Section)

- Welcome greeting
- Brief tagline (“Chip Design Engineer Turned MBA → Aspiring Investor”)
- CTA button → Scrolls to “About Me”

3. About Me

- Timeline layout with alternating panels and images
- Key milestones: Qualcomm → Synopsys → Georgetown MBA → Internships
- Logos and links included for visual engagement

4. Personal Interests

- Three-column layout for Chess, Travel, and Reading (FontAwesome icons)
- Below it: image gallery of personal photos with rounded Bootstrap styling

5. Contact Section

- Text with email and LinkedIn
- Clear call to connect

6. Footer

- Simple copyright footer
